## High Top Shoe Kit

### Materials Included:

- Ceramic High Top Shoe
- Blue Acrylic Paint
- White Acrylic Paint
- Black Acrylic Paint
- Paint Brush

## Instructions

- Step 1:** Using the Blue Acrylic Paint, paint 2 coats of blue on the high top part of the shoe. Make sure to leave the sole and the toe of the shoe unpainted. Let paint completely dry (should only take a few minutes).
- Step 2:** Next paint 2 coats of White Acrylic Paint on the sole and toe of the shoe let dry.
- Step 3:** Then paint the circular patch on the side of the shoe and the shoe laces with 2 coats of White Acrylic Paint. Let dry.
- Step 4** Then paint the 2 eyelets on the side of the shoe and the seam outline on the sides of the shoe with 2 coats of White Acrylic Paint. Let dry.
- Step 5:** Paint the shoelace eyelets with 2 coats of Black Acrylic Paint. Let dry.
- Step 5:** Next paint the top edge of the sole around the shoe with 2 coats of Black Acrylic Paint. Let dry.
- Step 6:** Finally paint your favorite symbol or initial in the white circular patch on the shoe with Black Acrylic Paint. Let your project completely dry and enjoy!
