

USA Star Plaque Kit

Materials Included:

- Ceramic Star Plaque
- Red Acrylic Paint
- White Acrylic Paint
- Blue Acrylic Paint
- Paint Brush

Instructions

Step 1: Position the Ceramic Star Plaque on your work area where there is one point facing straight up. Refer to the image to the left.

Step 2: Paint the top point and left point of the star with 2 coats of Blue Acrylic Paint. Let paint dry completely (should only take a few minutes).

Step 3: Using the White Acrylic Paint, paint the top facet of the right point of the star.

Step 4: Still using the White Acrylic Paint, paint every other facet of the remaining points. Refer to the image to the left.

Step 5: Next use the White Acrylic Paint to add dots all over the 2 star points that are painted blue. Let Dry.

Step 6: There should be 3 remaining facets left on your star. Paint those with 2 coats of Red Acrylic Paint. Let dry.

Step 7: Hang up and display your patriotic star plaque! Enjoy!
