

Kitty Kit

Materials Included:

- Ceramic Kitty Figurine
- Orange Acrylic Paint
- Dark Yellow Acrylic Paint
- Light Yellow Acrylic Paint
- Pink Acrylic Paint
- Blue Acrylic Paint
- Black Acrylic Paint
- White Acrylic Paint
- Paint Brush

Instructions

Feel free to follow along or be creative!

Step 1: Paint the entire head and body of the Ceramic Kitty with 2 coats of Dark Yellow Acrylic Paint. It's okay to paint over the eyes, nose, and mouth. Let dry (should only take a few minutes).

Step 2: Then paint 2 coats of Light Yellow Acrylic Paint on the chest and cheek/nose area. Let dry.

Step 3: Paint the nose and inside of the ears with 2 coats of Pink Acrylic Paint. Let dry.

Step 4: Next paint 2 coats of Orange Acrylic Paint on the paws. Then add some orange stripes on the legs. Let dry.

Step 5: Paint the inside of both eyes with White Acrylic Paint. Let dry.

Step 6: Add a dot of Blue Acrylic Paint in the eyes for the iris. Let dry.

Step 8 When all of the other painted areas are completely dry, use the Black Acrylic Paint and add eye brows, outline the eyes, add small black dots inside the blue dots for the pupils, add eye lashes, lines for the mouth, lines for the whiskers, and outlines for the paws. (Refer to picture on the left.)

Step 9: Finally when both eyes are totally dry, add a small dot of White Acrylic Paint inside the black pupil. Let your sweet little Kitty dry and enjoy!
