

Mythical Fairy

Materials Included:

- Fairy Plaque
- Light Blue, Purple, Dark Teal, Bright Green, Pink, Black, White Acrylic Paints
- Sparkly Gold-Teal Mosaic Pieces
- Glue
- Paint Brush

Instructions

- Step 1:** Paint 2 coats of Light Blue Acrylic Paint on the Fairy's face, ear, arm, leg, and inside sections of wings. Let dry (should only take a few minutes).
- Step 2:** Paint 2 coats of Purple Acrylic Paint on the dress. Let dry.
- Step 3:** Paint the hair and outline of wings with 2 coats of Dark Teal Acrylic Paint. Use this color and add an eyebrow. Let dry.
- Step 4:** Paint the space between the arm and dress with 2 coats of Bright Green Acrylic Paint. Then use this color and add some brushy strokes in the hair.
- Step 5:** Paint in the eye with White Acrylic Paint. Let dry. Then add some white brushy strokes on the dress and inside sections of the wing.
- Step 6:** Use the Dark Teal, Bright Green, White, and Black Acrylic Paints and add some brushy strokes for grass in the section between the arm and the dress. Let dry.
- Step 7:** Next paint the lips with Pink Acrylic Paint. Then using Purple Acrylic Paint, paint a purple spot in the eye for the iris. Then add a purple dot on the ear for an earring.
- Step 8:** Outline everything with Black Acrylic Paint (refer to the image above). Add in a black dot for the pupil in her eye and some eye lashes.
- Step 9:** Using the Bright Green, Dark Teal, Black, and White Acrylic Paints add some brushy strokes over her leg for grass. Then using the Pink Acrylic Paint add some splotches to make flowers in the grassy sections on the leg and the section under her arm. Let dry.
- Step 10:** Next using the White Acrylic Paint add in 2 small white dots in her eye, and add a small white dot on the earring. Then add some white splotches mixed in with the pink flowers for texture. Let dry.
- Step 11:** Once all of the paint has dried completely, take the Sparkly Gold-Teal Mosaic Pieces and glue them on the Dark Teal outline of the wing. A little glue goes a long way so be sure to only use a dot on the back of each mosaic piece. Make sure none of your mosaic pieces are hanging over the edge of the plaque. Let the glue dry (10-15 minutes).
- Step 12:** Go back and paint the edges of your plaque with either 1 solid color, or match up the colors used on the front. Let everything dry completely and enjoy your Mythical Fairy!
