## INSTRUCTIONS

1. Use a fan brush to paint the entire hand with 3 coats of Orchid, letting each coat dry before the next.
2. Use a pencil to sketch floral designs on the front and back of the hand, focusing on the palm and on each finger.
3. Use a liner brush to fill in the designs with 1-2 thick and even coats of Black Swan.
4. Once dry, use a fan brush to paint a block of Blueberry on the top of the hand, front and back.
5. Do not clear glaze. Fire to cone 06.

**Design Inspiration:** Hamsa Hands are a popular amulet across Northern Africa and the Middle East, symbolizing protection against the Evil Eye. It also symbolizes blessings, power, and strength.
